*Cobalt*

What ever it takes, who ever you are  
Heal the wounds, erase the scars

Shed, release, return unbroken  
How many time have you gone within  
Only to find yourself there again  
Shed, release, return unbroken  
Know thyself, this truth be spoken  
Shed, release, return unbroken  
Know thyself, this truth be spoken

## **We are Alive**

*Rose May Dance and Starhawk*

We are alive  
As the earth is alive  
We have the power  
To create our freedom  
If we have courage  
We shall be Healers  
Like the sun we shall rise  
If we have courage  
We shall be Healers  
Like the moon we shall rise

## **We are Medicine People**

*Earthdance*

We are medicine people  
We come from the stars  
We are holders of the sacred truths  
We carry the Fire

## **Held in the Heart**

*Abbi Spinner*

(Chorus)

We are here

We are held

We are are holy

We are home

Here in the heart of this holy moment

Held in the dark of the womb

Hold in the hands of our sisters and bothers

Here in the light of the moon

Here in the heart of this holy moment

Held in the light of the sun

Held in the hands of our sisters and bothers

Here in the heart of the one.

## **Thanks**

*Ivo Dominguez, Jr. and James C. Welch*

Thanks turns the wheel of the harvest

Thanks seals the circle of life

Thanks blesses all our beginnings

And thanks blesses the end

## **Long Time Sun**

*Robert Glass*

May the long time sun shine upon you

All love, surround you.

And the pure light within you

Guide your way home.

## **May the Circle Be Open**

*(Alternate Beginings)*

By the Air that is Her breath  
By the Fire of Her bright Spirit  
By the Waters of Her womb  
By the Earth that is her Body

.....

May the circle be open but unbroken  
May the peace (love) of the Goddess  
Be ever in your heart  
Merry meet,  
And, merry part,  
And merry meet again.

## **Sister, Now Our Meeting is Over**

*Libana*

Sisters (Friends), now our meeting is over  
Sisters (Friends) we must part  
and if I never see you anymore

yes we'll land on the shore  
yes we'll land on the shore  
and be safe for ever more
